Handbook Of Commercial Catalysts Heterogeneous Catalysts

Endothermic Reaction,. Catalyst Handbook By Martyn V. Of Heterogeneous Catalysis And The Practicalities Of The Catalyst . The Modern Science Of Heterogeneous Catalytic Chemistry Developed As The. Chlorine That Was Discovered In 1800 And Developed Into A Commercial Process. Read The Latest Research Articles Mar 6th, 2024

Highly-Accessible Catalysts For Durable High-Power Performance

Target Project Target PtCo/HSC-f Ordered-PtCo/HSC-f PtCo/HSC-f Ordered-PtCo/KB 8
SOA Integration & DOE Validation Technical Accomplishment: Cathode: 30 Wt.%
Intermetallic Ordered Pt 3 Co/HSC-f At 0.06 And 0.10 Mg Pt /cm², PFSA Ionomer

Highly Accessible Catalysts For Durable High-Power Performance

Alloy Catalysts (PtNi/HSC And PtCo/HSC) Exhibited Very High ORR Electrocatalytic Activity And Impressive Durability, Exceeding DOE Targets [1]. However, Their High-power Performance Fell Short Of The Target. As The Pt Content Is Lowered In The Cathode, Approaching
